APS Life Chapter 18 ❖ ATA Chapter 55

*Washington City Despatch No 28*  
November 2013 E-Newsletter

### At the Club

If you missed the November 6 meeting ... well, you missed it!

The visit of Dr. L.W. de Laurence — sage, mystic, and seer; arch-adept of the first degree; and renowned Hindu hypnotist — was an august and memorable occasion.

### From the APS

Have a look at Dominican Republic Scott #119 — can you tell which one is genuine and which one is a forgery? See other "Forged and Genuine" stamps.

[ [Read More](#) ]

### From the NPM

Free download of *Proceedings of the First International Symposium on Analytical Methods in Philately*, containing articles on the composition of paper; the chemistry and mineralogy of printing ink; and determining the genuineness of stamps, overprints, and covers.
